

**August 2017**

**Dear Ministers,**

**RE: EMHC 4pm English Mass**

**Our Lord & Blessed Virgin have done great things for us! Please Pray the Rosary!**

**Enclosed is your September and October schedules for the Extraordinary Ministers. Please check it over now & highlight your scheduled Masses!**

**We are happily waiting for our new church to be Dedicated so we can start to serve at Mass in our new Church, St. Rose of Lima. It should be the end of October and if so, some of those schedules might have to be changed so look for an email from me within the last 2 weeks of October.**

**Looking forward to the Dedication of our new church which will be during the week with the Bishop. All are welcome!**

**We are going a Conference tomorrow that the Diocese is sponsoring for Eucharistic Ministers and I will get back to you if we learn any new ideas or changes that might be brought up.**

**Remember when fewer people are at the Mass especially on Holydays there might only be 2 chalices used instead of 4 & then we only need 2-3 people not 6.**

**I would like to Thank the Leaders who ask others in Mass to fill in when someone scheduled is not there. Maybe we should have a buddy system and each of you could call another to be sure they will be coming and ask if they received their months Schedule. I always have extra Schedules in the Sacristy in the English White Binder. Help yourself!**

**Call me if the time you were scheduled needs to be changed or leave a message & I will call you back the same day.**

**As the new church year begins this will be the year of the Eucharist announced by Pope Francis.**

**Blessings to you & your families,**
