Dear EMHC Ministers,

RE: 4 PM & 9 AM Masses

To All the Eucharistic Ministers,

Remember this is the year of the Eucharist and hope you are doing something Special personally.

Well we have completed August & Celebrated St. Rose of Lima's Feast Day so now the Fall Months are soon approaching with Labor Day next week! Some of you have not been trained for your position & that is why we are not operating as smoothly as Fr. would like.

Check your schedule **BEFORE YOU COME TO MASS** as some of you don't realize you have been scheduled. If you are scheduled for that weekend then come prepared 30 minutes before the Mass is to begin. Check in with the Leader as soon as you come in. If we need to go over your position there is time & I will be there for both Masses, so we don't get confused during the Mass. If you are scheduled and can't come do to an Emergency please give me a call 2 hours before the Mass at the latest as I leave early for Mass. I am enclosing a Floor Plan showing where you should stand. We are going to keep the Extra Host on the Ambo side so if you have that position you stand on the Ambo side for the Host. Give the Host to all on that side in Wheelchairs or people the Ushers will direct you too. Don't forget anyone in the short pews where we sit. There will be the Lectors and maybe other people. You will be done first so go to the Tabernacle & leave your Hosts there & there is water to clean your hands.

I am going to look for wet cloths to clean our hands before & after we give out the host.

This is the first month I had requested your availability that I got 98%!

Thank you all!

If you arrive AFTER Fr. makes the Announcements you have been Replaced! So don't even come up unless you check with the Leader before Mass begins.

God Bless you all,

Audrey Lauer, EMHC Coordinator
